RE: Freedom of Information Action Requests EPA-HQ-2014-00329, EPA-HQ-2014-000332, EPA-HQ-2014-000333, and EPA-HQ-2014-000354

Dear Mr. Bradley Campbell:

This letter is in response to your October 17, 2013 Freedom of Information Act requests to the U.S. Environmental Protection Agency (EPA), in which you asked, again, for all records related to a meeting on June 25, 2013, with the White House Office of Management and Budget's Office of Information and Regulatory Affairs regarding the Greenhouse Gas Reporting Program: Amendments to Address Input to Emission Equation Issues.

All records responsive to requests EPA-HQ-2014-00329, EPA-HQ-2014-000332 and EPA-HQ-2014-000333 were produced under your previous FOIA request, EPA-HQ-2013-9390. EPA does not have anything additional related to this meeting.

EPA-HQ-2014-000354 asks for records from Cortney Higgins, who is an employee of the White House Office of Management and Budget. Thus, EPA does not possess any of Ms. Higgins' records and does not have anything responsive to this request.

You may appeal this response to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington DC 20460 (U.S. Postal Service Only), FAX: (202) 566-2147, E-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W. Room 6416J, Washington DC 20001. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 day limit. The appeal should include the RIN listed in the subject line above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in blue ink, appearing to read "Anhar", is written over a horizontal line.

Anhar Karimjee, Branch Chief
Greenhouse Gas Reporting Branch
Climate Change Division
